# A HOME OF EXCELLENCE

Welcome to BIHC, a premier Pan-African institution that combines practical experience with theory founded on the Swiss ethos of hospitality.

We are industry respected, accredited as a center of excellence, and revered for our state of art facilities and global placement network.

**But what makes a BIHC experience particularly exceptional?** We offer our students and alum an opportunity to experiment, challenge the status quo and discover their passions as they chart their careers. This balanced approach develops valuable soft skills and business acumen that these incredible future leaders require to make their mark globally. Today, we celebrate the 8th cohort of BIHC Excellence.
